# Parish Worship

**At** that time, Jesus came to Jericho and intended to pass through the town. Now a man there named Zacchaeus, who was a chief tax collector and also a wealthy man, was seeking to see who Jesus was; but he could not see him because of the crowd, for he was short in stature. So he ran ahead and climbed a sycamore tree in order to see Jesus, who was about to pass that way. When he reached the place, Jesus looked up and said, "Zacchaeus, come down quickly, for today I must stay at your house." And he came down quickly and received him with joy. When they all saw this, they began to grumble, saying, "He has gone to stay at the house of a sinner." But Zacchaeus stood there and said to the Lord, "Behold, half of my possessions, Lord, I shall give to the poor, and if I have extorted anything from anyone I shall repay it four times over." And Jesus said to him, "Today salvation has come to this house because this man too is a descendant of Abraham. For the Son of Man has come to seek and to save what was lost."

We would like to invite our young parishioners (1st grade to 7th grade) to be part of the experience by joining us as Lectors, Ushers and Gift-bearers.

# From the Pastor

Based on Church teachings, the Catechism of the Catholic Church, Encyclicals of the Pope, and issue papers from the Office of the Doctrine of the Faith, the following five issues concern actions that are intrinsically evil and must never be promoted by the law. Intrinsically evil actions are those that fundamentally conflict with the moral law and can never be performed under any circumstances. It is a serious sin to deliberately endorse or promote any of these actions, and no person who really wants to advance the common good will support any action contrary to the non-negotiable principles involved in these issues.

**1. Abortion** - The Church teaches that, regarding a law permitting abortions, it is "never licit to obey it, or to take part in a propaganda campaign in favor of such a law, or to vote for it" (*EV 73*). Abortion is the intentional and direct killing of an innocent human being, and therefore it is a form of homicide. The unborn child is always an innocent party, and no law may permit the taking of his life. Even when a child is conceived through rape or incest, the fault is not the child's, who should not suffer death for others' sins.

Another sub-set issue within this subject area that is non-negotiable pertains to Human Reproductive Technologies, which includes the Church's position against Contraception, In-Vitro Fertilization and Sterilization.

**2. Euthanasia** - Often disguised by the name "mercy killing," euthanasia is also a form of homicide. No person has a right to take his own life, and no one has the right to take the life of any innocent person. In euthanasia, the ill or elderly are killed, by action or omission, out of a misplaced sense of compassion, but true compassion cannot include intentionally doing something intrinsically evil to another person (*cf. EV 73*).

**3. Embryonic Stem Cell Research** - Human embryos are human beings. "Respect for the dignity of the human being excludes all experimental manipulation or exploitation of the human embryo" (*CRF 4b*). Recent scientific advances show that medical treatments that researchers hope to develop from experimentation on embryonic stem cells can often be developed by using adult stem cells instead. Adult stem cells can be obtained without doing harm to the adults from whom they come. Thus there is no valid medical argument in favor of using embryonic stem cells. And even if there were benefits to be had from such experiments, they would not justify destroying innocent embryonic humans.

**4. Human Cloning** - "Attempts ... for obtaining a human being without any connection with sexuality through 'twin fission,' cloning, or parthenogenesis are to be considered contrary to the moral law, since they are in opposition to the dignity both of human procreation and of the conjugal union" (*RHL 1:6*). Human cloning also involves abortion because the "rejected" or "unsuccessful" embryonic clones are destroyed, yet each clone is a human being.

**5. Homosexual "Marriage"** - True marriage is the union of one man and one woman. Legal recognition of any other union as "marriage" undermines true marriage, and legal recognition of homosexual unions actually does homosexual persons a disfavor by encouraging them to persist in what is an objectively immoral arrangement. "When legislation in favor of the recognition of homosexual unions is proposed for the first time in a legislative assembly, the Catholic lawmaker has a moral duty to express his opposition clearly and publicly and to vote against it. To vote in favor of a law so harmful to the common good is gravely immoral" (*UHP 10*).

**Honoring the Dignity of Life in Sickness and Death:** A talk about end of life issues and Physician-Assisted Suicide. November 10, at 7:00pm at St. Joseph's Church. What is truly compassionate care? Will I be hooked up to all kinds of machines and tubes? When is it appropriate to allow death to take its natural course? These are questions to which our faith gives answers – that inspire hope and a deeper appreciation for the gift of life. Grounded in the Church's consistent teachings on the sanctity of life, this presentation will explain the moral principles that guide our decision-making when facing advanced illness and death and what we need to know as Catholics regarding advanced medical directives. Additionally, learn about the very real threats posed by physician-assisted suicide in the state of Maryland—what it is, why it's dangerous, the status of our state's bill to legalize it, and what you, as a Maryland citizen, can do. Sponsored by the Archdiocese of Washington. Please join us. For more info: Teresa Yao, [yaot@adw.org](mailto:yaot@adw.org), 301.853.4555.

**S.O.M.E.:** This will be the last year for our ministry to SOME for Christmas shoebox gifts. Because of our focus in supporting the ministries that serve our local community, there has not been as much interest in supporting the shoebox program. If you would like to donate any toiletries this year, please bring them to the church by the end of October. In past years, the people at SOME were very appreciative of any pre-wrapped boxes we could supply them, so this year we will be making our delivery in early November so they can make use of any extra boxes. Thank you for supporting all of our social concerns ministries.

**Plastic Bags:** We are in need of plastic bags for the pantry.
